MANAGEMENT REPORT FOR 2013

In 2013 we continued with paving: lower Basque Blvd and Josefa Lane. Working with Mike from United we were able to score a deal on using recycled gravel for the shoulders and were able to save about \$50,000.00. We will continue paving this summer.

Summer of 2013 started out very dry and the State Water Engineers continued with the drought restrictions from summer of 2012. When the monsoons came in it helped the Telluride area and we had a nice July, Aug and September with lots of rain to green everything back up. Unfortunate only a small portion of the state received those nice summer showers. The state continues with the drought restrictions and as we get close to spring we will let the owners know if the restrictions will stay in effect. A lot will depend on the amount of snow fall this winter. A big thank you, to all of the owners, for your compliance with the restrictions.

Aldasoro Ranch owns its water system and it was build early at the start of the subdivision development. Last summer Nathan and Moe, working with Gary and a crane, removed the roof from PS1 and replaced the two pumps there. These pumps where over 17 years old. This year the pumps at PS2 will be replaced. The pumps have been ordered and will be put in as soon as they come in. We have been concerned with the age of much of the water system equipment and have been systematically budgeting and replacing old equipment, before it failed. Most of the old equipment, pumps etc. will be rebuilt and be on hand as spares. The Board was able to purchase the Ranch more water rights this year also. Those water rights help to ensure that Aldasoro Ranch's has plenty of water for the future.

2013 was another slow year for RETA, 3 homes sales for \$163,830.00 in RETA revenue. We are hoping for a better outlook in 2014 at the time this packet was being put together early January, we had one home and one lot under contract.

Two existing homes came through Design Review Board for additions to them. Both additions were approved and will begin in the spring of 2014. Another home came through DRB with some window changes and small exterior changes to one corner of the home and the front door entrance, work began late fall and continues. One owner working with the DRB will be doing a test fencing area around a grove of aspens.

The Board of Directors continues working with San Miguel County on possible changes to the PUD for dogs and fencing. After multiple work sessions and completion of the Wildlife assessment it became apparent that before any changes could be decided on, that the County Land Use Code must be changed or updated. The Board of County Commissioners voted to change the Land Use Code to allow dogs in San Miguel County, with the exceptions of existing PUD's. What does this mean for Aldasoro Ranch's? It means that at this time, there are still NO DOGS allowed on the Ranch except ADA dogs as we already have a PUD in place. The Board is working with Tom Kennedy (our Lawyer) and with the county at this time to move forward in the process to get our PUD changes to the BOCC. If the BOCC approves changes to the Aldasoro PUD then you the owners will vote on the changes, this will take a majority vote of 2/3rd of the owners. More information will be provided at the annual meeting.

ARHOC Water Report 2014 2013 Review, Goals 2014

To: The Homeowners and Board of Directors

From: Nathan Pierce, ORC, Field Operations Manager

Date: 1/8/2014

• Water quality In 2013 we tested for bacteria and viruses, which were not detected; and for nitrate, and nitrite levels, disinfection by-products, synthetic and volatile organic compounds, combined radium, combined uranium, fluoride, inorganic chemical groups, and gross alpha particles; all of which tested well below State Regulatory levels for health and safety. Drought conditions were in effect the entire summer and fall in which every ones cooperation was valuable and effective.

- Hydrant maintenance & flushing Filing 1 is scheduled for hydrant flushing and mainline valve maintenance this summer. This process is important in maintaining the proper standards of safety and distribution, as well as maintaining proper taste and odors in the water. Replaced faulty hydrant Aguirre Rd, rebuilding hydrant for replacement on Aldasoro Rd, and repaired hydrant broken by plow.
- Ditch Maintenance Maintaining Navike Ditches flows (on either side of Aguirre Road). The Carr and Waddle Ditch, which supplies water to the Lower Pond at Basque entrance, had improvements done, and will continue to be upgraded, eventually getting water around to Remine Drainage for supplementing our use of water in the wells there. Sheep and Adams Ditches are also running, of which we recently purchased more water in, and which will eventually allow us more usage in the domestic water side.
- Water Rights Finished up District 4 Water Court applications for access to the water table on San Miguel River, for surface rights to Remine Creek, and a joint application to distribute water to a potential neighboring subdivision allowing us legal access to these water sources in the future. Followed paper trail for private well drilled on Sunnyside. Completed diligence for 04CW067(13CW3018) through the courts. Gained 4.73 cfs of rights in ditch on hillside NW of subdivision Monthly reporting on all water use.
- Operation . Maintenance on many operations and faults including chlorine analyzer, MIOX systems, computers, PRV's, pumps, piping, radios, filters, and alarms. Found and repaired many leaks, fittings, parts, electronics, and misc. within the distribution system; replaced parts with stainless steel where possible. Replace PS-1 pumps and couplings after 17 years use. Followed through with suggestions for upgrades from the State.
- 2014 Continued upgrades to system and residential metering; operation of ditches; care and maintenance of entire system for safe and plentiful water supply. Replacing pumps in pump station two, replacing faulty pump in pump station one. Moving forward extending C&W ditch to Remine, upgrading Adams and Sheep ditches. Work with SMVC on their possible PUD.

Routine O & M Responsibilities Daily routines and checks. Routine maintenance and maintenance sheet recording. Respond to alarm call-outs. We are always available for any questions or concerns regarding the water system at (970) 729-1874, or npiece@aldasororanch.com.

RECITALS

- A. The HOC owns, operates, manages and administers Association Roads
- B. The HOC wishes to promulgate rules and regulations related to the usage of the Association Roads to create uniformity and certainty.

ADOPTED RULES AND REGULATIONS

Pursuant to the authority provided for in the Association Governing Documents, the Board does hereby adopt and promulgate the within Rules.

- 1. **Designation of Association Road(s) and Facilities.** All Association Roads shall be governed by these Rules. Capitalized terms as used herein shall be given the meaning ascribed to the term in the Association Governing Documents, unless otherwise stated or defined in these Rules.
- 2. **Board of Directors.** The Board is authorized and directed to monitor and enforce compliance with these Rules. These Rules may be amended only by vote of two-thirds of the Board Members of the Board of Directors, following notice and a reasonable opportunity to comment by all Association Members, at any meeting duly called for such purpose. No vote of the Association Members is required to effect an amendment to the Rules. The Board shall promptly publish any amendments or modifications to these Rules to the Association Members.
- 3. **Persons Authorized to Use of The Association Roads**. The Association Roads shall be used only by an Authorized User, subject to these Rules.
- 4. **Restrictions Concerning the Use of Association Roads**. The use of an Association Road by any Authorized User is subject to the following requirements:
- 4.1. The Association Roads shall be used only for the purposes for which they were designed and constructed.
- 4.2. Only motorized vehicles designated for and allowed for use on paved public highways may be used on the Association Roads. Unlicensed OMVS, Snowmobiles, ATV's, dirt bikes and other similar recreational motor vehicles shall not be allowed on the Association Roads. Exception for licensed ATV's used in a responsible way for maintenance. Abuse of this exception is at the Boards digression.
- 4.3. The Association Roads shall not be used in a manner that would be in violation of any statute, rule, ordinance, regulation, permit, or other imposed requirement of any governmental body.
- 4.4. The Association Roads shall not be used in a manner that would cause damage to, or waste to the Association Roads.
 - 4.5. The Association Roads shall not be used in a manner that would be imprudent or unsafe.
- 4.6. The Association Roads shall not be used in a manner that would result in the cancellation of the insurance as maintained by the Association, without the prior written approval of the Association.
- 4.7. The Association Roads shall not be used in a manner that would result in any damage to any other Owner's person or property.

C:\Users\Aldasoro\Documents\BOD P\Road Rules\Road Rules.1btom.doc

- 4.8. No Authorized User may exceed the maximum speed limit on all Association Roads, which is currently 25 M.P.H. or such lesser speed as is reasonably prudent under the circumstances.
- 4.9. No parking of any vehicles by any Authorized Person is allowed on any Association Roads without the prior written approval of the Board, which may be granted or refused in the sole discretion of the Board.
- 4.10. No work to the Association Roads, including, without limitation, digging, trenching, cutting, paving, drilling, excavation or other disturbance whatsoever may occur without the prior written approval of the Board, which may be granted or refused in the sole discretion of the Board.
- 4.11. With respect to an Association Road and/or any area of an easement or right-of-way associated with an Association Road, an Owner may not: (a) place, erect or construct any signs, markers or other displays or any other type, kind or purpose (not otherwise allowed by these Rules); (b) place, erect or construct any other structure or improvement; or (c) remove any portion of the Association Roads.
- 4.12. Bicycles may be used along the right side of the paved Association Roads, provided that the rider is using the Association Roads in a safe and careful manner, at a safe and reasonable speed and stays within the areas authorized for bicycle riding.
- 4.13. No other non-motorized vehicles, including, without limitation, skateboards, roll skates, roller blades, roller skis, sleds or skis are allowed to be used on Association Roads.
- 5. **Damage to Association Roads.** Any Owner or their Authorized User or other designee whose use of any Association Roads damages or causes unusual wear and tear to any Association Roads shall be obligated to reimburse the Association for costs and expenses it incurs in fixing any such damage or wear and tear. The Board shall assess the cost and expense so incurred against the Owner of the Property that caused the damage or wear and tear. Reimbursements for costs and expenses shall be assessed and collected in the manner provided for in the Articles.
- 6. Variances and Waivers. The Board, in its sole and reasonably discretion, may grant such temporary or permanent waivers or variances from these Rules as the Board deems necessary and appropriate.

7. Fines and Penalties.

- 7.1. **Board to Enforce Compliance.** The Board is authorized and empowered to obtain a reimbursement from an Owner deemed to have damaged for any costs incurred by the Association in curing a violation of these Rules, including any damage to the Association Property.
- penalties, not to exceed the sum of \$100 per occurrence per day, which fines and penalties may be assessed against an Authorized User who is found to be in violation of these Rules. The fine shall continue for each day that the Owner shall continue to be in violation, following the expiration of the cure period stated in the notice (described below). All fines and reimbursements assessments shall be due and payable immediately upon notice of such fine or assessment and the expiration of the cure period and, if a hearing is requested for the violation, the fine. If any fine assessment is not paid within ten days after the due date, a late charge in the amount of \$100 shall be assessed to compensate the Association for the expenses, costs and fees involved in handing such delinquency. Owners shall be personally, jointly, and severally liable for all fines/penalty assessments. In the event an Authorized User is not an Owner of Property, the Owner of Property who authorized the Authorized User to use the Association Road and Facilities shall be responsible for the fines, penalties and other costs

imposed by the Board. Fines and penalties shall be assessed and collected in the manner provided for in the Articles.

- 7.3. **Notice of Violation**. The Board shall notify an Owner of the Board's determination of a violation ("**Notice of Violation**") under the Rules or the provision of the Declaration, Map or Bylaws to the applicable Owner as soon as reasonably practicable following discovery. The Board may also, at its option, provide a copy of such notice to any non-owner violator. The Notice of Violation shall describe the nature of the violation and shall further state that the Board may seek to protect its rights as they are specified in the governing legal documents. The fine assessment is due and payable immediately upon receipt of Notice of Violation, unless a hearing is requested, in which case the payment of the fine will be delayed pending the outcome of the hearing.
- 7.4. **Request for Hearing**. In the event any Owner desires to challenge or contest any alleged violation and possible fine stated in the Notice of Violation, said Owner must, within fourteen days from receipt of the Notice of Violation, request such hearing by notifying the Association, in writing, of such hearing request. In the event a proper and timely request for a hearing is not made as provided herein, the right to a hearing shall be deemed forever waived. If a hearing is requested within the aforementioned 14 day period, the Board shall convene a hearing as provided for below. In requesting a hearing before the Association, an Owner shall state and describe the grounds and basis for challenging or denying the alleged violation as well as such other information the Owner deems pertinent.
- 7.5. **Board to Conduct Hearing**. If a hearing is timely requested by an Owner, the Board shall hear and decide cases set for hearing pursuant to these Rules. The Board shall send a notice of hearing ("**Notice of Hearing**") to the Owner indicating the time, place and location of the hearing. The Board may appoint an officer or other Owner to act as the presiding officer (the "**Presiding Officer**") at any of the hearings.
- 7.6. Conflicts. It shall be incumbent upon each Board member to make a determination as to whether he/she is able to function in a disinterested and objective manner in consideration of each hearing before the Board. Any Board member incapable of objective and disinterested consideration on any hearing before the Association shall disclose such to the President of the Association prior to the hearing on the case, if possible, or, if advance notice is not possible, then such disclosure shall be made at the hearing, and said Board member shall be disqualified from all proceedings with regard to the hearing. If disqualification of any Board member(s) results in an even number of remaining Board members eligible to hear a case, the Presiding Officer shall appoint an Association member, in good standing, to serve as a voting member of the hearing board.
- Hearing. Each hearing shall be held at the scheduled time, place and date stated in the 7.7. Notice of Hearing, provided that the Presiding Officer may grant continuances for good cause. At the beginning of each hearing, the Presiding Officer shall explain the rules, procedures and guidelines by which the hearing shall be conducted and shall introduce the case before the Board by reading the Notice of Hearing. The general procedure for hearing shall consist of opening statements by each party; presentation of testimony and evidence, including cross-examination of witnesses by each party; and closing statements by each party. Notwithstanding the foregoing, the Board may exercise its discretion as to the specific manner in which a hearing shall be conducted and shall be authorized to question witnesses, review evidence and take other such reasonable action during the course of a hearing of which it may deem appropriate or desirable to permit the Board to reach a just decision in the case. Neither the complaining parties, nor the Owner, must be in attendance at the hearing in order for the hearing to proceed. However, the decision of the Board at each hearing shall be based on the matters set forth in the Notice of Violation, request for hearing, and such evidence as may be presented at the hearing. Unless otherwise determined by the Board of Directors, all hearings shall be open to attendance by all members of the Association. The Board and the Owner may participate by phone. The hearing shall be open to all Owners in the Community.

- 7.8. **Decision**. After all testimony and other evidence have been presented to the Board at a hearing, the Board shall render its written decision thereon within twenty days after the hearing. A decision, either a finding for or against the Owner, shall be by a majority of the Board. The Board shall issue written findings of fact and conclusions, and, if applicable, shall impose a reasonable fine as provided in the Association's Rules and assess costs, expenses and fees, including attorney fees incurred by the Association in conducting the hearing and issuing the fines. The Board may also issue and present for recording with the Clerk and Recorder of San Miguel County, Colorado, a Notice of Finding of Violation. Upon satisfactory compliance with the Association's governing documents, the Notice of Violations may be released by the Association issuing and recording a Release of Notice of Findings of Violations.
- 7.9. **Enforcement**. The Association may commence an action at law, or in equity, or both, against any Owner personally obligated to pay the fine and assessment for recovery of said fine and assessment plus late charges. The prevailing party shall recover its reasonable attorneys' fees and associated costs and expenses incurred in connection with such legal proceedings.

Miscellaneous.

- 8.1. **Resolution of Conflicts.** In the event of a specific conflict between the Articles and the Rules, the Rules shall prevail.
- 8.2. **No Waiver**. Failure by the Association, the Board or any person to enforce any provision of these Rules shall in no event be deemed to be a waiver of the right to do so thereafter.
- 8.3. Severance. The provisions of these Rules shall be deemed to be independent and several, and the invalidity of any one or more of the provisions hereof, or any portion thereof, by judgment or decree of any court of competent jurisdiction, shall in no way affect the validity or enforceability of the remaining provisions, which provisions shall remain in full force and effect.

APPROVAL AND EXECUTION

The foregoing Rules are hereby adopted by the Association as of the Effective Date.

Aldasoro Ranch Homeowners Company, A Colorado nonprofit corporation

Budget Notes

Reading the budget sample:

Row 88A 6006 Property Maintenance-Roads this is a total of all the 6006 categories Row 89B 6006 Filing 1 Common this is a total of 90C to 96C

Rows 90C to 96C show the breakdown of expenses for the Filing one Common Road repair.

This year's budget expenses are very straight forward and expenses are based on 2013's expenses or bids that were received for work that will need done out of house. As for the past couple of years we have held expenses as low as possible and try to save were ever possible. Some items have been in the budget for 3 or 4 years as they could wait to be done and we did not have the extra income to do them. Major expenses this year are road paving and water system upgrades and replacements. Pumps in PS2 will be replaced due to age. Other items in the water maintenance are pumps being pulled and having maintenance done, replacing old worn meters and replacing some electronics and radio equipment. All of this keeps the water system running and up to legal standards.

The Board of Directors reviews the budget yearly and discusses expenses and income. As explained in last year's budget review to avoid large increases to the assessments the ten year budget has been set to increase assessments a hundred dollars per year. In the past the ten year budget was set up with three and four thousand dollar increases, with careful budgeting and good works on spending, these large increases were not necessary. In the past increases to the assessments were done in \$500.00 increments. Having small increases is not as hard to some members as having a large increase all at once. Aldasoro Ranch has some of the lowest assessments of other HOA's and continues to have one of the best financial standings.

If you have any questions on the budget please call Carla anytime at 970-729-2355.
